**INTRO:** G // C / D / x2

G C G  
Immortal Love, forever full  
G D  
Forever flowing free  
G Em C  
Forever shared, forever whole  
G D G  
A never ebbing sea

I'll wait for You, My Love

I'll wait for You, My Love

I'll wait for You, My Love

For You a lone

G C G  
O Love, O Life! Our faith and sight  
G D  
Your presence makes them one  
G Em C  
As through transfigured clouds of white  
G D G  
We trace the noonday sun

G C G  
We faintly hear, we dimly view  
G D  
With wanting words we pray  
G Em C  
But dim or clear we own in You  
G D G  
The light, the truth, the way

**CHORUS:**

We'll wait for You, Our Love  
G  
We'll wait for You, Our Love  
C  
We'll wait for You, Our Love  
Em D G  
For You a lone
